Dear Abu Sultan, Assalamu Alaikum

It was nice to talk to you this morning. Thank you for your advice.  
As discussed,

1. By November 10

We will have \$6.3 m. Since my fax of October 4, we have received quarterly interest of \$81,281 from poultry and may get half yearly dividends from Anchor around \$225,000.

2. By December 31, 1999

If we could agree on the Anchor valuation then I can work on it to conclude sale perhaps sooner than December 31, 1999.

Also we will continue to work on others.

As you could appreciate the fact we are now dealing with some of the hard to sell assets in Canada, Turkey, etc. Therefore, it is difficult to give more definite schedules.

With best regards.

P.S. I would appreciate if you could please send me the copy of the registration of charities with a request to Humana to assist.  
Thank you.
